“Volunteers Serving Their Community With Pride”

Thank you for your recent interest in becoming a member of the Manvel Volunteer Fire Department. Firefighting is an international brotherhood of people, both paid and volunteers who have dedicated their lives to helping to prevent loss of life and the protection of property. Worldwide, firefighters place themselves in harms way rushing to the aide of total strangers every single day.

Our department is made of a group of very dedicated volunteers that respond to a variety of calls. The Manvel Volunteer Fire Department is contracted by Brazoria County Emergency Service District No. 3 to provide fire and rescue services to the city of Manvel, its ETJ and the community of Lakes of Savannah.

The Brazoria County Emergency Service District No.3 and the contracted providers are highly regarded organizations. Our members take pride in our reputation and commitment to the community. The departments are small in numbers but large in dedication and participation by all members in the district.
